## **Residents Registration and New Tenant Approval Process Notice (Residents & Owners)**

Dear Valued Residents,

Covid-19 continues to be prevalent and in the past few days, many countries have announced a state of emergency and restricted travel moment. With reference to the announcement from the Ministry of Health & Sports on 27 March 2020, five cases have been declared in Myanmar.

Star City Management has put into place several preventive measures to minimize the risk of infection within the Estate. As one of the preventive measures, the Management encourages all owner-occupiers and tenants to update the family registry at the link below by 1<sup>st</sup> April 2020 (Hard Deadline) or at our Management Offices at A5 Building.

Please also note that all owners need to inform the management office of any new tenant moving in. The new tenants/resident will be required to go through a health & travel declaration form before proceeding to occupy the unit. With the rapid increase in the spread of Covid-19 around the world, we do ask the owners to cooperate with us on these imposed measures. StarCity Management is working hard to minimize the risk of infection within the Estate, we seek your understanding and look forward to your cooperation.

All registered residents and tenants will be given Estate Access Pass (“the Passes”) for individual and car starting from 2<sup>nd</sup> April 2020 onwards. Your cards will be distributed at our Management Offices at A5 Building. You will be required to show this pass at the point of entry at the security gate starting from the escalation to Level 1 crisis management.

We look forward to your understanding and kind cooperation. Let’s be vigilant and work together to keep our Estate safe.
