

## THE MAIN GATE

StarCity Estate Gate is a statement in itself. Carefully designed to showcase the forward thinking nature of the Estate's community with an arrow like shape. The Gate, Incorporating the essence of wood works within the designs speaks further about the groundedness of the modern community that lives within. The steady pillars and the feature grey color of the gate marks a strong, resilient estate that will stand through the test of time and uncertainties.

We hereby present the Main Gate of StarCity, which will give an astounding first impression for all new visitors and make our residents proud.

# MEET OUR MANAGEMENT

## Win Thandar Aung @ Rachel

Membership Executive

For this month meet the management session, we like you to meet our cheerful Rachel. Formerly from Parkroyal's Belmont Governor's Residence & RoseWood Yangon as a Guest Service officer, she joined StarCity links in July 2020.

Being from a customer service back ground gives her an advantage in building meaningful relationships with our golfers in tending to their needs professionally. Since her arrival, the golf club has seen tremendous improvement in the overall mood of customer satisfaction. Bringing her smile and cheerful greetings everywhere, she goes about her day being meticulous in operation but not forgetting that human touch when it comes to taking care of her customers.

TED is blessed to have her as the face of StarCity Links. When you are here for the next round of golf, be sure to say Hi to her, she'll sure infect you with her cheerfulness for the day.

I was very grateful that they organize this because I don't have to leave the complex to get my vaccination. I'm just walk 100m down the road to the vaccination center so I think I'm very lucky because not everybody gets these opportunities especially in Myanmar now to get the vaccination so I'm really appreciated StarCity for organizing this and making it very convenient for me.
